

## STILL WORKING FOR FORESTRY OFFICE

Stockmen Are Endeavoring to Reverse Decision of Gifford Pinchot.

It is not improbable that Salt Lake City may yet stand a chance of securing the field headquarters of district No. 4, United States National forests; at least, according to rumors which are in circulation Thursday. Stockmen, all over the State have become vexed at the recent decision of Gifford Pinchot, to the effect that the headquarters would be established in Ogden, and it is understood that they will protest on the ground that it is unnecessary for them to come to Ogden to do business, while it is the most convenient place for them to have the headquarters established in the city. That action may be taken is a matter of conjecture, but as the stockmen keep in touch with the forest officials under the new plan of administration, it is possible that their efforts may bring them to this city may have considerable weight, in the event of their action.

The wedding of Miss Clara Williams, daughter of T. A. Williams, and John K. Hardy took place in the temple yesterday morning. In the evening a reception for about 150 guests was given at the home of the bride's parents. The house was decorated with asters and sweet peas and the bride and groom stood under a canopy of sweet peas and smilax to receive their friends. Also receiving were Mr. and Mrs. T. A. Williams and Mrs. Annie K. Hardy. An orchestra stationed in the hall furnished music. Punch was served by Miss Clara Ritter and Miss Horstene Young, and assisting in the dining room were Mrs. Arnold Giarque, Miss Elma Young, Miss Emma Carrington and Miss Ethel Connolly.

In honor of Miss Eva Madden, Mrs. Richard Keyes gave a large tea yesterday afternoon at her home on Brigham street. The house was decorated in red and white asters and sweet peas and table decorations were American Beauty roses and candelabra with red shades and candles. Mrs. A. S. Rowan and Mrs. J. B. Risque presided at the table and assisting in the dining room were Miss Godes, Miss McGrath, Miss Zane and Miss Louise Sullivan. Mrs. W. P. Kiser served punch, assisted by Miss Mary Moore, Miss Stella Fabian and Miss Elinor Stewart. Also assisting the hostess were Mrs. D. H. Gray, Mrs. Clifford Pearson, Mrs. A. D. Cleveland, Mr. L. C. Robinson and Mrs. J. E. Gallagher.

Mrs. Karl Scheid and Miss Rookledge were hostesses at a charming tea yesterday afternoon at the home of Mrs. Scheid, 1127 East Brigham street. About 300 guests enjoyed the afternoon. The house was decorated with a profusion of fall flowers, the music room in pink and white asters, the library in marigolds, the dining room in pink asters and the tea room in lavender asters. An orchestra stationed on the staircase furnished music. The hostesses were assisted by Mrs. F. J. Fabian, Mrs. Ledyard M. Bailey, Mrs. George Holman, Mrs. W. V. Rice, Mrs. J. D. Rookledge, Mrs. J. R. Walker, Mrs. O. W. Powers, Mrs. Russell Tracy, Mrs. Thomas Weir, Mrs. John Sharp, Miss Hanauer, Miss Bancroft, Miss Crawford and Miss Bertha Hempstead.

The wedding of Miss Mabel Baum, formerly of Salt Lake, and Carson Willard Smith took place Thursday evening at the home of the bride's parents in Denver, Colo. An informal reception followed from 7 to 9 o'clock. After November 1 Mr. and Mrs. Smith will be at home at Dacoe, Colo.

Mrs. S. S. Dickinson entertained at a dinner Wednesday, in honor of Mrs. Robbins of California, Miss Howley of Boise, Ida., Mrs. John McChrystal, Miss McChrystal and Master Arthur McChrystal.

## Torturing Animals To Assist Science

Is a Cruel Method to Follow, But It Has Saved Many Human Lives.

Prof. Pawlow of Russia was engaged for many years in experimental work, trying to learn the workings of digestion, especially the digestive glands.

He, with able assistants, operated upon dogs, cats, guinea pigs and other animals.

His methods were seemingly painful, but he gave to science a work which won the Nobel prize and made for him an undying fame.

Science penetrated the secrets of nature. Prof. Pawlow saw animals digest food. He analyzed juices from every part of the digestive canal and stomach under all conditions of digestion. He spent years of ceaseless study amid the howling and dying beasts, but he won, and science today looks upon him as a great man.

"To do a great right do a little wrong," Shakespeare said, and Prof. Pawlow obeyed this trite saying.

Stuart's Dyspepsia Tablets are prepared by the most scientific process. They are produced by modern appliances, and meet the demand of 20th century chemistry.

They give man the means to correct his infirmities of stomach and digestive organs.

They enrich the blood, give nature the juices and fluids she lacks, stop the formation of noxious gases and the fermentation of food, they centralize powerful acids and alkalies, which irritate and devour the stomach. They prevent and relieve bowel and intestinal trouble and soothe the nerves.

They should be used after every meal whether one has dyspepsia and stomach trouble or the stomach be naturally healthy. By their use one may eat at all hours and whatever one desires, and they help the system digest or throw off such food. They are thoroughly meritorious, as their tremendous sale and popularity illustrate.

Every drug store has them for sale, price 50c per package. If you would like to test their merits free, send us your name and address and we will send you a trial package by mail without cost. Address F. A. Stuart Co., 159 Stuart Bldg., Marshall, Mich.
